I am the owner or the authorized agent for the owner of the animal described above, and I have the authority to execute this consent. My signature below certifies that I am over eighteen years of age.

I hereby consent to and authorize the performance of the following anesthetic and/or surgical procedures _____

Pre-Anesthetic Blood Work

Routine pre-surgical analysis of can help us to evaluate your pet's ability to utilize and metabolize drugs and anesthetics. The tests we recommend gauge the major organ functions and other common problems at particular stages of life. While the performance of these tests does decrease surgical anesthetic risk, they do not detect all potential problems or eliminate all surgical and anesthetic risk. They do not guarantee results or a cure.

___ I DO / ___ DO NOT authorize these **blood tests** for my pet

Pre and Post operative pain Management.

The intensity and duration of pain will vary with each surgical procedure for this reason we recommend to proactively manage pain associated with any procedure with appropriate pain medications.
